TRINITY BANK INCREASES CASH DIVIDEND 5.26%

FORT WORTH, TEXAS, March 28, 2019 - Trinity Bank, N.A. (OTC Bulletin Board: TYBT) announced that on March 26, 2019, the board of directors declared a cash dividend of \$.60 per share. The dividend will be payable on April 30, 2019 to shareholders of record as of the close of business on April 15, 2019.

In a statement released by Executive Vice President Barney C. Wiley, “Trinity Bank is pleased to announce its 15th semiannual cash dividend. The dividend of \$.60 per share, payable in April 2019, represents a 5.26% increase over the \$.57 per share dividend that was paid in October 2018.”

Trinity Bank has increased its semiannual dividend each six months since dividends were initiated in 2012.

	<u>April</u>	<u>Oct</u>	<u>Special</u>	
2012	\$.20	\$.20	\$1.00	\$1.40
2013	.25	.28		.53
2014	.31	.34		.65

Mr. Wiley went on to say, “Trinity Bank performed well in 2018 in terms of profitability and operating efficiency. Our investment in additional personnel during the year allowed us the opportunity to continue to achieve improved results. With our capital ratio in excess of 13% we continue to be well-capitalized and able to share our earnings with our shareholders in the form of an increased cash dividend.” The board will review the dividend policy again in the fall when operating results for the first half of 2019 are available.

This Press Release may contain certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 regarding future financial conditions, results of operations and the Bank's business operations. Such forward-looking statements involve risks, uncertainties and assumptions, including, but not limited to, monetary policy and general economic conditions in Texas and the greater Dallas-Fort Worth metropolitan area, the risks of changes in interest rates on the level and composition of deposits, loan demand and the values of loan collateral, securities and interest rate protection agreements, the actions of competitors and customers, the success of the Bank in implementing its strategic plan, the failure of the assumptions underlying the reserves for loan losses and the estimations of values of collateral and various financial assets and liabilities, that the costs of technological changes are more difficult or expensive than anticipated, the effects of regulatory restrictions imposed on banks generally, any changes in fiscal, monetary or regulatory policies and other uncertainties as discussed in the Bank's Registration Statement on Form SB-1 filed with the Office of the Comptroller of the Currency. Should one or more of these risks or uncertainties materialize, or should these underlying assumptions prove incorrect, actual outcomes may vary materially from outcomes expected or anticipated by the Bank. A forward-looking statement may include a statement of the assumptions or bases underlying the forward-looking statement. The Bank believes it has chosen these assumptions or bases in good faith and that they are reasonable. However, the Bank cautions you that assumptions or bases almost always vary from actual results, and the differences between assumptions or bases and actual results can be material. The Bank undertakes no obligation to publicly update or otherwise revise any forward-looking statements, whether as a result of new information, future events or otherwise, unless the securities laws require the Bank to do so.
