

## Press Release

### TRINITY BANK INCREASES CASH DIVIDEND 6.5%

FORT WORTH, TEXAS, March 28, 2018 - Trinity Bank, N.A. (OTC Bulletin Board: TYBT) announced that on March 27, 2018, the Board of Directors declared a cash dividend of \$.54 per share. The dividend will be payable on April 30, 2018 to shareholders of record as of the close of business on April 13, 2018.

President Jeffrey M. Harp stated, "The Board of Directors of Trinity Bank, N.A. is pleased to announce the bank's twelfth cash dividend. The dividend of \$.54 per share payable in April 2018 represents a 5.9% increase over the \$.51 per share dividend that was paid in October 2017."

"Trinity Bank has now increased its semiannual dividend each six months since dividends were initiated in 2012. Trinity recently achieved a Top 25 ranking for dividend growth over the last 5 years (Daily Dividend Alert). With approximately a 12% Capital Ratio, Trinity remains well-capitalized and able to share a portion of net income with shareholders in the form of an increased cash dividend. The Board of Directors will review the dividend policy again in the fall when operating results for the first half of 2018 are available."

This Press Release may contain certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 regarding future financial conditions, results of operations and the Bank's business operations. Such forward-looking statements involve risks, uncertainties and assumptions, including, but not limited to, monetary policy and general economic conditions in Texas and the greater Dallas-Fort Worth metropolitan area, the risks of changes in interest rates on the level and composition of deposits, loan demand and the values of loan collateral, securities and interest rate protection agreements, the actions of competitors and customers, the success of the Bank in implementing its strategic plan, the failure of the assumptions underlying the reserves for loan losses and the estimations of values of collateral and various financial assets and liabilities, that the costs of technological changes are more difficult or expensive than anticipated, the effects of regulatory restrictions imposed on banks generally, any changes in fiscal, monetary or regulatory policies and other uncertainties as discussed in the Bank's Registration Statement on Form SB-1 filed with the Office of the Comptroller of the Currency. Should one or more of these risks or uncertainties materialize, or should these underlying assumptions prove incorrect, actual outcomes may vary materially from outcomes expected or anticipated by the Bank. A forward-looking statement may include a statement of the assumptions or bases underlying the forward-looking statement. The Bank believes it has chosen these assumptions or bases in good faith and that they are reasonable. However, the Bank cautions you that assumptions or bases almost always vary from actual results, and the differences between assumptions or bases and actual results can be material. The Bank undertakes no obligation to publicly update or otherwise revise any forward-looking statements, whether as a result of new information, future events or otherwise, unless the securities laws require the Bank to do so.
